WORK EXPERIENCE

Product Manager | BCS

Jul 2025 - Sep 2026

Moscow | 1 yr 3 mos | Financial Services: insurance, pensions, asset management, banking

RESPONSIBILITIES

Developed gamification for BCS World of Investments: missions, rewards, mini-games, tournaments, sweepstakes, and a 34-level ship progression system.

Connected game scenarios to top-up, transaction, Aha-conversion, activity, and retention metrics.

Formulated hypotheses based on data, feedback, and competitor analysis; tested mechanics through A/B tests.

Developed concepts, requirements, roadmap, and backlog; assigned tasks to the team and supported features from discovery through delivery.

Developed account top-up and financial-product purchase missions and improved entry into the sweepstakes funnel.

Independently built the Finwords and Yacht mini-games: game mechanics, user journey, responsive interface, frontend, and backend.

ACHIEVEMENTS

15% of the application's monthly active audience (MAU) participated in gamification.

Average top-up amount increased by 10% compared with the previous period.

Top-up frequency during sweepstakes increased by 2.5%.

Aha-moment conversion increased from 15% to 18% - up 3 percentage points.

Number of days the application was used increased by 3%.

Progressors Android: <https://play.google.com/store/apps/details?id=progressors.ru>

Product Manager | VK

Jul 2024 - Dec 2024

Russia | 6 mos | IT, Internet, Software, Media, Marketing and Design

RESPONSIBILITIES

Used AI to create drafts of the user journey, images, and prototypes.

Developed the concept and game mechanics and created documentation, technical specifications, and mockups.

Assigned tasks and planned the roadmap.

ACHIEVEMENTS

Created two educational simulators: Digital Lesson: Messengers and Digital Lesson: App Store.

More than 3,000,000 unique completions of the simulator.

Digital Lesson: Messengers: https://messenger.datalesson.ru/senior/index.html?session_id=9bab439b-0b88-4bfb-9367-ef88c3a29c8357

Digital Lesson: App Store: https://store.datalesson.ru/app-senior/index.html?session_id=3c53555a-b9dc-41ea-88af-30835edb02c398
